

Central Alexandria/Seminary Hill

The following list summarizes what the new bus network will look like for Central Alexandria/Del Ray:

- **Line 102.** Existing AT2 service along Seminary Road and Janneys Lane will be replaced by the new Line 102 service running between King Street Metro and Mark Center. This route will be providing local service on the corridor and will run every 30 minutes on weekdays but will not operate on weekends.
- **Metrobus 28A.** WMATA is proposing to realign the 28A route between Alexandria Hospital and King Street Metro to travel via Duke Street instead of King Street for operational efficiency and provide all-day bus service to the Foxchase community.
