

South Old Town/Hunting Point

The following list summarizes what the new bus network will look like for South Old Town and Hunting Point:

- **Line 34.** This new route will replace the existing DASH AT7 in South Old Town and part of the AT3/4 Loop that operates along South Royal Street. Line 34 runs between Lee Center and the Braddock Road Metro via South Royal Street, City Hall, North Fairfax Street and Slaters Lane. It will operate every 30 minutes on weekdays and Saturdays, and every 60 minutes on Sundays. With the opening of the Potomac Yard Metro in 2022, the route is proposed to be modified so that it connects to the new station via Richmond Highway.
- **Hunting Point.** As part of the 2022 Alexandria Transit Vision Plan, DASH would no longer provide bus service to Hunting Point. Bus passengers in this area will be able to use the Metrobus 10B, which runs every 30 minutes, seven days per week, as an alternative.
