

Parkfairfax/North Ridge

The following list summarizes what the new bus network will look like for Parkfairfax/North Ridge:

- [Line 103](#). The current DASH AT3 route will be replaced by the new Line 103, which runs from the Braddock Road Metro to the Pentagon on the same alignment as the AT3. In the New DASH Network, Line 103 runs every 30 minutes during weekday peak periods.
- [Line 104](#). The new Line 104 will replace the existing DASH AT4 route and will operate along the same alignment from the Braddock Road Metro to the Pentagon. In the New DASH Network, Line 104 runs every 30 minutes during weekday peak periods.
- [Line 36A/B](#). This new service will introduce frequent, all-day service between Mark Center and Potomac Yard via Shirlington and Parkfairfax. Line 36A/B will replace the existing DASH AT-9 route. If DASH receives I-395 Commuter Choice funding for this route, it will be split in Parkfairfax to keep all-day service on Martha Custis Drive and introduce new all-day DASH service Valley Drive and Gunston Road. Line 36A/B will also provide a direct bus connection to the new Potomac Yard Metro, which is scheduled to open in 2022.
- **AT3/4 Loop**. This route will be discontinued as part of the 2022 ATV Plan due to low ridership. Riders affected by this change may be able to use Lines 103 or 104 during weekday peak period, or [Line 36A/B](#) in parts of Parkfairfax.
