

#### Alexandria Transit Company

#### BOARD OF DIRECTORS MEETING

#### **WEDNESDAY, JANUARY 11, 2017, 5:30 PM**

#### **CH CITY COUNCIL WORKROOM 2410**

#### **AGENDA**

- 1. Public Comment
- 2. Consideration of the minutes of the regular meeting of December 14, 2016 meeting
- 3. Chairman's Report
- 4. T&ES Director's Report
- 5. DASH General Manager's Report
- 6. Consideration of Part II (Budget) of the 2018 Transit Development Program (TDP).
- 7. Consideration of the preliminary VDRPT grant program proposals and resolution authorizing the General Manager to execute and file grant applications with the Virginia Department of Rail and Public Transportation (VDRPT)
- 8. Review of Near Miss/Hazard Reporting Policy
- 9. Review of Action Items
- 10. Other Business
- 11. Consideration of Convening an Executive Session for the purpose of Discussing Legal and Personnel Matters, pursuant to Section 2.2-3711 (a1) of the Code of Virginia
- 12. The next regular Board Meeting will be Wednesday, February 8, 2017, 5:30 p.m., City Council Workroom 2410
- 13. Adjournment

#### ALEXANDRIA TRANSIT COMPANY

#### **BOARD OF DIRECTORS**

#### **MINUTES**

The Chairman convened the regular monthly meeting of the Alexandria Transit Company Board of Directors at 3:09 p.m. on Wednesday, December 14, 2016, in City Hall, City Council Workroom 2410.

#### MEMBERS PRESENT

Paul Abramson, Chairman Emily Baker Kerry Donley David Kaplan Stephen Klejst Yon Lambert Meredith MacNab Laura Triggs

#### ATC OFFICERS AND STAFF PRESENT

Sandy Modell, General Manager/CEO Raymond Mui, Acting Assistant General Manager Marvin Johnson, Director of Finance & Administration Marlene Stevens, Secretary

#### **OTHERS PRESENT**

Alicia Wright, T&ES Allan Fye, T&ES Alyssa Ha, OMB

#### <u>Consideration of Convening and Executive Session for the Purpose of Discussing Legal and Personnel Matters, pursuant to Section 2.2-3711 (A1) of the Code of Virginia</u>

Upon a motion by Mr. Donley, seconded by Ms. Triggs, the meeting moved into Executive Session at 3:09 p.m.

Upon a motion by Mr. Donley, seconded by Mr. Lambert, it was stated that only legal matters and personnel matters were discussed in the Executive Session.

Upon a motion by Mr. Donley, seconded by Mr. Klejst, the Regular Meeting reconvened at 7:06 p.m.

#### **Public Comment**

The Chairman opened the comment period. There being no public comment, the Chairman closed the public comment period.

#### Consideration of the Minutes of the November 14, 2016 Minutes

The minutes from the November 14, 2016 regular monthly meeting were approved as amended.

#### **Chairman's Report**

The Chairman reviewed the process and status of the Board vacancy. The Chairman reported that the Board vacancy has been advertised, and at this time, five resumes have been received. The Chairman stated the deadline is December 23. The Chairman suggested a committee be formed to review the resumes. Mr. Abramson stated that after the 23<sup>rd</sup> the resumes will be forwarded to the committee, with three to four candidates to be interviewed at the January Board meeting. Mr. Kaplan, Mr. Klejst, and Ms. MacNab volunteered to serve on the committee. Mr. Abramson asked Ms. Modell to distribute the resumes after the deadline closes.

The Chairman requested an update from Mr. Klejst on the proposal from the facilitator on developing a strategic plan. Mr. Klejst stated he received a proposal that includes outreach to the Board members with initial background information, a facilitated session to develop the actual strategic plan, along with any necessary follow up. Mr. Klejst advised he will provide this to the Chairman within the next two weeks.

The Chairman reported that he will be drafting two memos to City Council. One will be confirming the Board's commitment to maintaining affordable and reliable transit service. The second memo will provide the history of the DASH land acquisition and facility bus storage expansion project. Mr. Abramson stated he will draft the memorandum for the Board's consideration and circulate it next month.

#### **T&ES Director's Report**

Mr. Lambert reported there are no new details on the next SafeTrack surge and expects that WMATA will release details as to when it will resume in 2017. Mr. Lambert also reported that the Transportation Commission will not be meeting in December.

#### **DASH General Manager's Report**

The General Manager informed the Board that she included the Twitter feed from riders regarding the DASH Tracker at the end of the General Manager's report.

#### **Consideration of FY18 Subsidy Reduction Options**

The Board discussed the General Manager's subsidy reduction options memo. Ms. Modell stated that she included a proposed expenditure increase to cover the cost of annual performance increases to keep DASH employees competitive with the local transit industry market. The Board gave guidance to the General Manager to consider a fare increase if it avoids reductions in service. Ms. Modell suggested that ATC explore a possible innovative partnership with Uber/Lyft to look at late evening or weekend replacement of DASH service, where it might make sense and have minimal impact. Mr. Donley suggested that language be added to reflect that DASH employees be treated in proposed budget the same way City employees are, whether it's with pay increase or greater share of benefits. Mr. Lambert stated that the options should include a mix of cost reduction options and a fare scenario that includes new revenue. Mr. Donley requested to also look at reducing frequency of the free King Street Trolley service, which diverts riders off of DASH.

#### **Consideration of the FY18 Fare Scenarios**

The Board reviewed the General Manager memorandum of the proposed FY18 Fare Scenarios. Mr. Kaplan suggested that staff consider exploring any partnerships with NVCC, that may include buying down fares or providing use of passes for full day.

#### **Consideration of the FY18 CIP Program**

The Board reviewed the General Manger's memorandum on the proposed FY18 CIP Program. Ms. Modell stated DASH scheduling software is fifteen years old and the system has outgrown it. A new system would cost between \$400,000 and \$600,000. Mr. Lambert asked what is the priority of options one to six. Ms. Modell confirmed in order of importance: bus replacement, hybrid battery pack replacement, facility bus storage expansion. Mr. Donley stated he would support that prioritization. On a motion by Mr. Donley, seconded by Mr. Klejst, the Board approved the priority list for the FY18 CIP.

#### **Review of Action Items**

The General Manager reviewed the Action Items with the Board.

#### **Other Business**

Ms. Baker spoke about the City Council proclamation in honor of Ms. Modell and stated that she would like to thank Ms. Modell for her work with DASH and the strides she has made for the City of Alexandria.

The next ATC Board meeting will be held on Wednesday, January 11, 5:30 p.m., at the City Hall, Room 2410, City Council Workroom.

#### Adjournment

Upon a motion by Mr. Donley, seconded by Mr. Lambert, the meeting was adjourned at 8:21 p.m.

Minutes submitted by Marlene Stevens, Interim Secretary

#### MANAGEMENT REPORT

#### FOR THE MONTH OF NOVEMBER 2016

A. RIDERSHIP: Total system ridership for the month decreased by 0.5% from last November, with a total of 313,472 passengers. Weekday ridership averaged 12,753 passengers, a decrease of 4.6%. Average Saturday ridership increased by 2.6%. Average Sunday ridership increased by 7.1%.

Without the King Street Trolley, total ridership decreased by 1.1% from last November, with a total of 249,510 passengers. Weekday ridership averaged 10,703 passengers, a decrease of 4.4%. Average Saturday ridership decreased by 6.2% and average Sunday ridership decreased by 4.7%.

- **B. SAFETY:** DASH experienced four preventable and four non-preventable revenue vehicle accidents during the month and one preventable non-revenue vehicle accident.
- C. TRANSPORTATION: On-time performance in November: 94.9%
- D. MAINTENANCE:

Average miles between road calls: 16,768
Average miles between equipment related calls: 20,959

- E. COMMUNITY HEALTH FAIR: On November 5, DASH provided a bus to transport passengers to and from the Alexandria Community Health Fair.
- **F.** WREATH LAYING CEREMONY: On November 14, DASH transported passengers in the Wreath laying Ceremony for the Office of the Clerks at Arlington Cemetery.

#### VARIANCE REPORT

#### **NOVEMBER 2016**

Net operating expenses were \$100,745 (11.2%) under budget in November. Revenues for the month were \$12,264 (2.6%) under budget. Total expenses were \$113,009 (8.2%) under budget. The operating ratio for the month was 34.3%.

#### **REVENUES:**

<u>Passenger Revenue</u>: Revenues were \$26,528 (8.3%) under budget due to lower than projected ridership for the month.

#### **PERSONNEL EXPENSES:**

<u>Transportation Labor (Wages)</u>: Expenses were \$16,891 over budget due primarily to costs associated with holiday pay and overtime requirements.

#### **NON-PERSONNEL EXPENSES:**

<u>Tires & Tubes</u>: Expenses were \$4,366 over budget due primarily to the purchase of stock tires.

<u>Telephone</u>: Expenses were \$3,135 over budget due to T-Mobile billing error which will be credited in next month's statement.

Miscellaneous: Expenses were \$5,349 over budget due to employee holiday luncheon.

#### FY18 DASH Subsidy Reduction/Revenue Increase Options

#### ANNUAL

|  |  |                             | ANNUA                       | L                         |                     |
|--|--|-----------------------------|-----------------------------|---------------------------|---------------------|
| Item   | Description  | Revenue<br>Miles<br>Reduced | Revenue<br>Hours<br>Reduced | Current # of<br>Boardings | Reduction<br>Amount |
| King Street Trolley Delay<br>Start of Service        | Delay start of King Street Trolley from 10:00 AM to 10:30 AM, 7 days a week. Passengers will have alternate DASH bus service on King Street via the AT2, AT7, and AT8.   | 2,200                       | 730                         | 17,000                    | \$39,425            |
| Delay of DASH Technology in Capital Outlay           | Delay the implementation of DASH Technology Project in Capital Outlay.   |                             |                             |                           | \$100,000           |
| Decrease Rail Transfer<br>Credit from 50 to 35 cents | Decrease Metrorail to DASH transfer credit from \$0.50 to \$0.35.  |                             |                             | 500,800                   | \$75,000            |
| Increase DASH Pass from<br>\$40 to \$45              | Increase the cost of the monthly unlimited use DASH Pass from \$40 to \$45   |                             |                             | 255,000                   | \$45,000            |
| Reduction in Pension<br>Admin                        | Adjustment of Pension Administration Costs, based on FY16 actuals.   |                             |                             |                           | \$15,000            |
| Reduction in FICA                                    | Adjustment of FICA contribution costs, based on FY16 actuals.  |                             |                             |                           | \$8,045             |
| Scheduling Optimization                              | Optimization of internal vehicle scheduling to reduce platform hours without reducing service. This is possible due to increased service supervision capabilities provided by CAD, and addition of dedicated scheduler position. |                             |                             |                           | \$120,000           |
| Lower fuel estimate from \$2.2 to \$2.0              | Adjustment of projected fuel estimated from \$2.2/gal to \$2.0/gal. This leaves a sufficient contingency based on current fuel rates and trend.  |                             |                             |                           | \$94,000            |

TOTAL: 2,200 730 772,800 \$496,470

#### **PART II**

#### 2018 TRANSIT DEVELOPMENT PROGRAM

The <u>2018 Transit Development Program</u> is based on the following assumptions:

- Total estimated ridership of 4,038,000 is projected to decrease 1.7% over the fiscal year 2016 actual level of 4,108,706, and 7.6% lower than fiscal year 2017 budgeted projection of 4,369,000 riders. This reflects the impact of regional ridership trends and ridership saturation on routes that have not undergone service and frequency improvements.
- Current service will remain at the FY17 levels, with the exception of extending the AT9 route to Crystal City. This expansion will connect the West End, Mark Center, NVCC, Parkfairfax, and Arlandria communities with the Crystal City Metrorail Station. This is projected to add an additional 40,000 in annual ridership and \$49,000 in passenger revenue.
- Passenger revenue is expected to decrease approximately 1.8% due to associated ridership Pdownturn and variance from FY17 budgeted ridership projection. Revenue from the Mark Center Express Cooperative Agreement is estimated at \$762,000, a 3% increase over the fiscal year 2017 budgeted amount.
- No fare increase is contemplated for FY18.
- ATC and T&ES will explore opportunities for providing cost savings in the City's overall transit subsidy through DASH replacement of local Metrobus service, and additional revenue sources through new and existing Transportation Management Plan requirements.

The operating and capital budgets for FY2018 are summarized in the following table:

|   | FY2016       | FY2017       | FY2018                   |
|---|--------------|--------------|--------------------------|
|   | ACTUAL       | BUDGET       | <b>ESTIMATED</b>         |
| Operating Revenues                              | \$5,563,745  | \$5,638,363  | \$5,471,363 <sup>1</sup> |
| Operating Expenses                              | 15,497,594   | 16,495,304   | 17,054,304               |
| Net Transit Service Cost                        | 9,933,850    | 10,856,941   | 11,582,941               |
| Operating Ratio                                 | 35.9%        | 34.2%        | 32.1%                    |
| Capital Outlay Items<br>(City Operating Budget) | 772,196      | 236,000      | 210,000                  |
| City Contribution<br>(Operating Budget)         | 10,706,046   | 11,092,941   | 11,792,941 <sup>2</sup>  |
| Capital Improvement Program (CIP)               | 4,010,000    | 4,050,000    | 5,284,000                |
| Total City Contribution                         | \$14,716,046 | \$15,142,941 | \$17,076,941             |

<sup>&</sup>lt;sup>1</sup>Includes \$992,363 of City subsidy from the meal sales tax, transient lodging tax and Transportation Improvement Program (TIP) for the operation of the King Street Trolley. <sup>2</sup>Amount does not reflect \$992,363 in City subsidy for the King Street Trolley which is included as Contract Revenue under Total DASH Operating Revenue.

#### PRINCIPAL CHANGES FROM THE FY2017 BUDGET

Operating expenses will increase \$559,000 (3.4%) in fiscal year 2018. Personnel service costs, which make up 75% of total operating expenses, will increase \$805,000 (6.4%).

The increases in operating expenses reflect the following major items:

- 1. Labor costs will increase \$601,000 (6.3%).
  - Transfer of Assistant General Manager (AGM) position from the Professional Services line item to the Administration personnel line item, an increase of \$105,000.
  - An increase of \$346,000 for annual employee performance increases and step increases.
  - An increase of \$150,000 to provide pay scale adjustments primarily to the bus operator wage scale to maintain competitive salaries with transit peers within the region.
- 2. Fringe benefit costs will increase \$204,000 (6.7%).
  - An increase in FICA of \$68,000 (10.1%) due to general payroll increases.
  - An increase in health insurance costs of \$116,000 (8.1%) based on projected premium increases.
  - A decrease of \$35,000 (-18.9%) in Workers Compensation costs due to an excellent claims history and having the lowest Experience Modification Rate (EMR) in the Virginia Municipal League Group Insurance Association (VMLGIA).
  - An increase in the 401(k) employer match of \$25,000 (5.9%) based on estimated enrollments.
  - An increase in the sick leave line item of \$20,000 (9.8%) based on FY16 actual costs.
- 3. Non-personnel service items will decrease \$246,000 (6.3%). The principal changes from the fiscal year 2017 budget are:
  - The management services fee will decrease \$123,000 (-63%) due to the removal of the AGM position from the contract.
  - The addition of \$43,000 in professional services to fund second year support and maintenance cost of Clever Devices AVL, CAD, and AVA systems.
  - A decrease of \$155,000 (13.7%) in fuel and lubricant costs based on current fuel cost per gallon trend. The cost per gallon estimate is projected at \$2.20.

The ATC fiscal year 2018 budget appears in Table 5 and is followed by a narrative justification of the budget items.

<sup>\*</sup> Includes King Street Trolley subsidy

#### **BUDGET JUSTIFICATION**

#### **OPERATING REVENUES**

|                                 | ACTUAL      | BUDGET      | ESTIMATED   |
|---------------------------------|-------------|-------------|-------------|
|                                 | FY2016      | FY2017      | FY2018      |
| Passenger Revenues              | \$3,683,636 | \$3,821,000 | \$3,632,000 |
| Other Revenues                  | 1,880,109   | 1,817,363   | 1,839,363   |
| <b>Total Operating Revenues</b> | \$5,563,745 | \$5,638,363 | \$5,471,363 |

The <u>Passenger Revenues</u> estimate is based on 4,038,000 passengers. This assumes a 7.6% ridership decrease from projected FY17 projected total ridership of 4,369,000 passengers.

Other Revenues includes charter and contract services, including Transportation Management Plan (TMP) fund contributions and cash contributions of local businesses toward special promotions and the City's subsidy for operation of the King Street Trolley.

#### **OPERATING EXPENSES**

The operating expense budget is broken down into five broad categories, plus an allowance for contingencies. Each of the categories and its components is discussed below.

#### TRANSPORTATION

This category covers costs of the Transportation Department, which employs and supervises the system's bus operators. The costs are directly related to levels of service. For the purpose of this budget estimate, a total of 2,018,500 miles is projected for fiscal year 2017.

#### **Personnel Services**

|              | 7 7 11      |              |             |              |             |  |
|--------------|-------------|--------------|-------------|--------------|-------------|--|
| FY16 Actual: | \$9,249,373 | FY17 Budget: | \$9,150,000 | FY18 Budget: | \$9,725,000 |  |
|              |             |              |             | +\$575,000   | (6.3%)      |  |

This item covers salaries, wages, fringe benefits, FICA, and other personnel service costs of the Transportation Department. It provides for the following positions:

|                                    | FY2015    | FY2016    | FY2017    | FY2018     |
|------------------------------------|-----------|-----------|-----------|------------|
| Director of Operations             | 0         | 1         | 1         | 1          |
| Director of Safety & Training      | 1         | 1         | 1         | 1          |
| Human Resources Liaison            | 0         | 1         | 1         | 1          |
| Customer Service & Charter Manager | 1         | 1         | 1         | 1          |
| Safety & Training Officer          | 1         | 1         | 1         | 1          |
| Supervisor-Dispatcher              | 8         | 8         | 8         | 8          |
| Dispatcher, Full-Time              | 1         | 2         | 2         | 2          |
| Dispatcher, Part-Time              | 2         | 2         | 2         | 2          |
| Bus Operator, Full-Time            | 109       | 116       | 120       | 120        |
| Bus Operator, Part-Time            | <u>15</u> | <u>15</u> | <u>15</u> | <u>15</u>  |
|                                    | 138       | 148       | 152       | <u>152</u> |

General changes in personnel service costs have been discussed in an earlier section of this budget presentation. Operator wages are based upon platform hours at a pay hour to platform hour ratio of 1.15.

#### **Fuel and Lubricants**

| FY16 Actual: | \$796,619 | FY17 Budget: | \$1,286,000 | FY18 Budget: | \$1,131,000 |
|--------------|-----------|--------------|-------------|--------------|-------------|
|              |           |              |             | -\$155,000   | (-12.1%)    |

This item covers fuel and lubricants for revenue and non-revenue vehicles. The principal component is diesel fuel for the bus fleet, at an average consumption rate of 4.2 miles per gallon. A cost of \$2.20 per gallon is estimated for fiscal year 2018.

#### **Operating Materials and Supplies**

| FY16 Actual: | \$187,560 | FY17 Budget: | \$231,000 | FY18 Budget: | \$232,000 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           | +\$1,000     | (0.4%)    |

This item covers the recapping and replacement of tires, bus cleaning materials, and other supplies. The principal item is tire recapping and replacement costs are based upon a  $5.5\phi$  per mile factor.

#### **EQUIPMENT MAINTENANCE**

This category covers costs of the Maintenance Department, which is responsible for vehicle servicing, preventive maintenance, and repair work. The costs are related to service levels operated, although the relationship is not as direct as it is in the Transportation Department. The 2018 estimate is based on an annual total of 2,044,000 miles.

#### **Personnel Services**

| FY16 Actual: | \$1,806,543 | FY17 Budget: \$2,120,000 | FY18 Budget: | \$2,183,000 |
|--------------|-------------|--------------------------|--------------|-------------|
|              |             |                          | + \$63,000   | (3.0%)      |

This item covers salaries, wages, fringe benefits, FICA, and other personnel service costs of the Maintenance Department. It provides for the following positions:

|                                    | FY2015   | FY2016   | FY2017   | FY2018   |
|------------------------------------|----------|----------|----------|----------|
| Director of Maintenance            | 1        | 1        | 1        | 1        |
| Mechanic, Full Time                | 13       | 14       | 15       | 15       |
| Mechanic, Part-Time                | 0        | 0        | 0        | 1        |
| Parts Manager                      | 1        | 1        | 1        | 1        |
| Facilities Maintenance Coordinator | 1        | 1        | 1        | 1        |
| Maintenance Clerk                  | 1        | 1        | 1        | 1        |
| Service Worker, Full-Time          | 5        | 5        | 5        | 4        |
| Service Worker, Part-Time          | <u>1</u> | <u>1</u> | <u>1</u> | <u>2</u> |
|                                    | 23       | 24       | 25       | 27       |

General changes in personnel service costs were discussed in an earlier section of this budget presentation.

**Repair Parts** 

| FY16 Actual: \$389,030 FY17 Budget: \$444 | ,000 FY18 Budget: \$444,000 |
|---|-----------------------------|
|---|-----------------------------|

No Change

The cost of repair parts is budgeted at 22¢ per vehicle mile for FY18.

**Vehicle Maintenance Services** 

| FY16 Actual: \$186,0 | 2 FY17 Budget: | \$100,000 | FY18 Budget: | \$100,000 |
|----------------------|----------------|-----------|--------------|-----------|
|----------------------|----------------|-----------|--------------|-----------|

No Change

This item covers the purchase of outside maintenance services for such items as body work, engine and transmission work beyond ATC's in-house capability, and radio repair.

**Tools and Equipment** 

| FY16 Actual: | \$10,373 | FY17 Budget: | \$25,000 | FY18 Budget: | \$25,000 |  |
|--------------|----------|--------------|----------|--------------|----------|--|
|--------------|----------|--------------|----------|--------------|----------|--|

No Change

This item provides for the purchase and replacement of small shop tools and equipment.

Laundry

| FY16 Actual: | \$20,418 | FY17 Budget: | \$18,000 | FY18 Budget: | \$18,000 |  |
|--------------|----------|--------------|----------|--------------|----------|--|
|              |          |              |          |              | 3.7 64   |  |

No Change

This item provides for shop rags and the rental and cleaning of mechanics' uniforms.

#### **MARKETING**

#### **Personnel Services**

| FY16 Actual: | \$100,926 | FY17 Budget: | \$115,000 | FY18 Budget: | \$120,000 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           | +\$5,000     | (4.3%)    |

This item covers the salary, fringe benefits, FICA, and other personnel service costs of the Marketing Department. It provides for the following positions and the use of temporary services as needed:

Marketing & Communications Manager 1 Social Media Specialist – Part-time 1

ATC's marketing targets office and residential complexes and businesses located in new development areas in the City. ATC also assists developments under the City's Transportation Management Plan (TMP) ordinance to market transit and provide on-site sales of monthly DASH passes. ATC's marketing program promotes DASH services to the tourist industry, hotels, and retail establishments. It is anticipated that significant marketing efforts will continue to focus on new employment sites, continued work with Mark Center, the King Street Trolley, community and business partnerships, real-time bus information, and economic stimulus programs that may be launched in conjunction with the local hospitality industry.

#### Marketing and Public Information

| FY15 Actual: | \$120,659 | FY17 Budget: | \$120,000 | FY18 Budget: | \$120,000 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           |              | No Change |

Public relations and outreach is a crucial factor in building effective customer communication, increasing community awareness of DASH, and increasing ridership. ATC continues to build its social media presence to engage current and potential riders and the community in DASH service communications. It provides an avenue to post news-worthy information about DASH and transit, in general, to promote special events and activities, and provides a platform to share and educate riders through DASH videos and pictures.

ATC's Real Time Bus Information System is fully operational and was unveiled to the riding public in FY17. Marketing and promotional efforts geared towards rider information regarding the DASH "Tracker" is critical to be able to get the word out and get riders using it. Marketing the "Tracker" to potential DASH riders may also serve to increase ridership based on the general experience in the Industry.

This category covers the production and distribution of schedules and other information regarding available DASH services and promotions. Also included in this category are market research, installation and maintenance of bus stop signs, and other activities designed to acquaint potential riders with DASH services and to make those services more convenient to use.

Expenses for marketing and public information include:

- Printing and distribution of DASH timetables. This item also covers the maintenance of schedule information located at major bus stops throughout the city......\$80,000
- Advertising and special promotions to attract new riders and for transit related special events and programs......\$40,000

| FY16 Actual: | \$453,776 | FY17 Budget: | \$502,304 | FY18 Budget: | \$502,304 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           |              | No Change |

ATC is a member of the Virginia Transit Liability Pool through which it obtains general and automobile liability and bus physical damage coverage.

This item also includes directors' and officers' liability insurance, which is obtained from the State Division of Risk Management.

#### **ADMINISTRATION AND GENERAL**

This expense category includes the office of the General Manager and the general and unallocated administrative costs of the transit system.

#### **Personnel Services**

| FY16 Actual: | \$1,282,595 | FY17 Budget: | \$1,231,000 | FY18 Budget: | \$1,394,000 |
|--------------|-------------|--------------|-------------|--------------|-------------|
|              |             |              |             | +\$163,000   | (13.2%)     |

This item covers salaries, fringe benefits, FICA, and other personnel service costs of the General Manager's office. It provides for the following positions:

| General Manager                      | 1  |
|--------------------------------------|----|
| Assistant General Manager            | 1  |
| Executive Assistant                  | 1  |
| Director of Finance & Administration | 1  |
| Human Resources & Payroll Manager    | 1  |
| HR Generalist                        | 1  |
| Director of Planning & Scheduling    | 1  |
| Director of Information Technology   | 1  |
| Principal Scheduler                  | 1  |
| Transit Analyst                      | 1  |
| Accounting Manager                   | 1  |
| Receptionist                         | 1  |
|                                      |    |
| Total                                | 12 |

General changes in personnel service costs have been discussed in an earlier section of this budget presentation. ATC participates in the Virginia Department of Rail and Public Transportation (VDRPT) intern program when State funding is available.

#### **Contractual Services**

| FY16 Actual: | \$432,974 | FY17 Budget: | \$401,000 | FY18 Budget: | \$308,000 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           | -\$93,000    | (-23.2%)  |

| This item covers the following contracts and agreements: |  |
|--|--|

| •  | Management contract\$72,000   |  |  |  |  |  |
|----|---|--|--|--|--|--|
| •  | <u>Travel costs, advisory and technical assistance</u> . The management contract provides that, in addition to routine supervisory visits to the property, the management firm will provide advisory and technical assistance in such areas as labor relations, insurance, vehicle specifications, maintenance, and scheduling when needed and authorized by ATC at no additional cost, except for travel. The budget estimate provides for 4 trips at a cost of \$3,500 each\$14,000 |  |  |  |  |  |
| •  | Pension plan administration and legal assistance. The annual fee for the administration of the Transit Management of Alexandria, Inc. employees' defined contribution retirement plan is estimated to be \$10,000. In addition, TMA from time to time requires local legal assistance in handling benefits related and employee relation issues, budgeted at \$15,000 for these services  |  |  |  |  |  |
| •  | Banking and cash handling fees. The cost of cash handling fees associated with the transport, sorting, and depositing of ATC fare box revenue\$75,000   |  |  |  |  |  |
| •  | SmarTrip maintenance and technical support. ATC's share of actual costs under the Regional SmarTrip System Software Maintenance Agreement   |  |  |  |  |  |
| •  | <u>City radio maintenance contract contribution</u> . ATC's share of actual costs under the City's Radio Maintenance Contract   |  |  |  |  |  |
| •  | DASH technology maintenance and support\$43,000   |  |  |  |  |  |
| Pe | rsonnel Recruitment and Training  |  |  |  |  |  |
|    | Y16 Actual: \$95,354 FY17 Budget: \$108,000 FY18 Budget: \$108,000 No Change  |  |  |  |  |  |
| Th | is item covers:   |  |  |  |  |  |
| •  | Employee relations. This item covers performance incentive awards, the safety awards dinner, and other employee relations costs   |  |  |  |  |  |
| •  | • <u>Physical examinations</u> . Employees and applicants who hold CDL licenses are required to pass pre-employment and annual DOT physical examinations and are subject to federally mandated drug and alcohol testing   |  |  |  |  |  |
| •  | Employee training. This item covers the costs of mechanic certification testing, operator training programs, technical courses and seminars, and registration fees at professional meetings   |  |  |  |  |  |

**Utilities and Building Maintenance and Services** 

| FY16 Actual: | \$412,083 | FY17 Budget: | \$400,000 | FY18 Budget: | \$400,000 |
|--------------|-----------|--------------|-----------|--------------|-----------|
|              |           |              |           |              | No Change |

This item covers the costs of utilities, building maintenance expenses, and janitorial services in the ATC facility.

#### **Travel**

| FY16 Actual: | \$18,740 | FY17 Budget: | \$15,000 | FY18 Budget: | \$15,000  |
|--------------|----------|--------------|----------|--------------|-----------|
|              |          |              |          |              | No Change |

This item covers the cost of travel to professional meetings, seminars, and technical schools, including the travel of employees attending courses on power train and bus component repair and courses sponsored by the Virginia Department of Rail and Public Transportation, Virginia Transit Liability Pool, and First Transit. This item also covers the cost of sending one DASH operator to the APTA International Bus Roadeo competition.

**Dues and Subscriptions** 

| FY16 Actual: | \$30,534 | FY17 Budget: | \$30,000 | FY18 Budget: | \$30,000  |
|--------------|----------|--------------|----------|--------------|-----------|
|              |          |              |          |              | No Change |

This item covers the costs of membership in the American Public Transportation Association, the Virginia Transit Association, the Alexandria Chamber of Commerce, OTBPA, Visit Alexandria, and subscriptions to trade journals and local newspapers.

#### **Other Administrative Costs**

| FY16 Actual:      | \$83,809 | FY17 Budget: | \$99,000 | FY18 Budget: | \$99,000<br>No Change |

#### **CONTINGENCIES**

| FY16 Actual: | \$0 | FY17 Budget: | \$100,000 | FY18 Budget: | \$100,000 |
|--------------|-----|--------------|-----------|--------------|-----------|
|              |     |              |           | No Change    |           |

An allowance of \$100,000, or 0.6% of operating expenses, is made for contingencies during FY18.

#### FY2018 ATC CAPITAL IMPROVEMENT PROJECT (CIP) PRELIMINARY SUBMISSION

| Project Description   | ATC<br>Submittal | City Manager<br>Proposed |
|---|------------------|--------------------------|
| <b>DASH Bus Fleet Replacement</b> – The DASH bus replacement schedule is based on the 12-year life cycle of a heavy-duty transit bus. Due to budgetary constraints in the last several years, ATC has had to delay its purchase of replacement buses, requiring ATC to maintain and operate buses past their useful life and beyond their scheduled replacement. This funding will provide for the purchase of hybrid buses and is consistent with the replacement schedule identified in the Transit Development Program (TDP).  | \$4,200,000      |                          |
| <b>DASH Hybrid Battery Pack Replacement</b> - The hybrid battery pack replacement at the bus mid-life ensures reliable operation of DASH's hybrid bus fleet.  | \$250,000        |                          |
| DASH Facility Bus Storage Expansion – ATC reached its bus storage parking limits in 2015. DASH's facility design incorporates an expansion plan using adjacent land that was purchased as part of the DASH facility project. ATC has proposed a funding and operation plan to allow for a staged implementation of expanded bus storage capacity. Although the City is currently using this land on a temporary basis for its overflow impound lot, the operation plan will allow the City to maintain the lot during the first phase of this plan. ATC and the City have an agreement to restore the land to DASH for expanded bus parking as soon as it becomes necessary. Although in the short term the land can accommodate both the impound lot and DASH bus parking, ultimately the impound lot will need to be relocated. | \$584,000        |                          |
| TOTAL   | \$5,034,000      |                          |

#### **MEMORANDUM**

DATE:

**JANUARY 6, 2017** 

TO:

ATC BOARD OF DIRECTORS

FROM:

SANDY MODELL, GENERAL MANAGER/CEC

SUBJECT:

FY18 VDRPT DEMONSTRATION GRANT FOR TRANSIT SIGNAL

PRIORITIZATION (TSP)

<u>ISSUE</u>: I am requesting Board authorization to submit a grant application for the FY18 VDRPT Demonstration Grant program to fund a Transit Signal Prioritization (TSP) pilot project.

BACKGROUND: ATC is currently collaborating with the City of Alexandria's Transportation and Environmental Services (T&ES) and Fire Department to equip and utilize signal prioritization at key intersections throughout the City. TSP will speed transit time of priority vehicles through these intersections. T&ES has secured funding totaling \$100,000 to equip key intersections with TSP hardware along the Duke Street corridor between King Street Metrorail Station and Landmark, for use by DASH and emergency response vehicles. To utilize the TSP-equipped intersections, ATC proposes to equip 15 buses with on-board TSP hardware to take full advantage of the technology. The pilot will be utilized primarily by the AT8 route, which is DASH's busiest route in passenger ridership and trip frequency. The immediate benefits of this technology include improved schedule adherence and reduction of delays and in vehicle travel times for over 800,000 riders annually. Long term benefits include re-investment in saved resources as additional service, and increased ridership.

The TSP system will be a peripheral system to the new Real Time Bus Information system; both systems are designed to operate in conjunction with each other to maximize potential leverage and utility of both systems.

FISCAL IMPACT: The total proposed annual program cost is \$120,000. The VDRPT Demonstration Grant would provide reimbursement of between 80-90%; the resulting local match at 20% would be \$24,000. The source of funds for the local match is included in ATC's DASH Technology project in Capital Outlay.

**RECOMMENDATION:** I recommend that the ATC Board of Directors adopt the attached resolution for the application package for the FY18 VDRPT Demonstration Grant program.

Attachment: Resolution Authorizing the Application for State Aid to Public Transportation.

#### Resolution Authorizing the Application for State Aid to Public Transportation

BE IT RESOLVED by the Alexandria Transit Company Board of Directors that the Sandy Modell, General Manager is authorized, for and on behalf of the Alexandria Transit Company, hereafter referred to as the, **PUBLIC BODY**, to execute and file an application to the Department of Rail and Public Transportation, Commonwealth of Virginia, hereafter referred to as the, **DEPARTMENT**, for a grant of financial assistance in the amount of \$250,000 to defray the costs borne by the **PUBLIC BODY** for public transportation purposes and to accept from the **DEPARTMENT** grants in such amounts as may be awarded, and to authorize Sandy Modell, General Manager to furnish to the **DEPARTMENT** such documents and other information as may be required for processing the grant request.

The Alexandria Transit Company certifies that the funds shall be used in accordance with the requirements of Section 58.1-638.A.4 of the <u>Code of Virginia</u>, that the **PUBLIC BODY** will provide funds in the amount of \$50,000, which will be used to match the state funds in the ratio as required in such Act, that the records of receipts of expenditures of funds granted the **PUBLIC BODY** may be subject to audit by the **DEPARTMENT** and by the State Auditor of Public Accounts, and that funds granted to the **PUBLIC BODY** for defraying the expenses of the **PUBLIC BODY** shall be used only for such purposes as authorized in the <u>Code of Virginia</u>. The undersigned duly qualified and acting Chairman of the **PUBLIC BODY** certifies that the foregoing is a true and correct copy of a Resolution, adopted at a legally convened meeting of the Alexandria Transit Company held on the Eleventh day of January, 2017.

TO:

ATC BOARD OF DIRECTORS

FROM:

SANDY MODELL, GENERAL MANAGER/CE

SUBJECT:

FY18 VDRPT DEMONSTRATION GRANT FOR AUTOMATIC VEHICLE

**MONITORING** 

<u>ISSUE</u>: I am requesting Board authorization to submit a grant application for the FY18 VDRPT Demonstration Grant program to fund an Automatic Vehicle Monitoring system for vehicle maintenance.

**BACKGROUND:** ATC has recently deployed an array of new technologies made possible by the introduction of Real Time Bus Information, including Automatic Vehicle Location (AVL), Computer Aided Dispatch (CAD), Automated Passenger Counters (APC), and Automated Vehicle Announcements (AVA).

ATC proposes to procure and implement Automatic Vehicle Monitoring (AVM) for vehicle maintenance to service as an industry leading vital tool for DASH's fleet maintenance. This technology will allow the DASH Maintenance Department to access live status on performance and vital status on all DASH vehicles in operation. The technology will enable maintenance and operations to diagnose and troubleshoot vehicle issues in live real time, resulting in more timely and appropriate road call responses. AVM also provides an analytics package for maintenance to more comprehensively monitor fleet and sub-fleet status and trends, which allows for a more proactive analysis, identification, and rectification of issues before they occur. The introduction of AVM technology will reduce and minimize fleet downtime due to increasing complexities of today's buses, future spare ratio requirements, and road call operating expenses due to inaccurate or insufficient information and diagnostic capabilities.

FISCAL IMPACT: The total proposed annual program cost is \$250,000. The VDRPT Demonstration Grant would provide between an 80-90% reimbursement; the resulting local match at 20% would be \$50,000. The source of funds for the local match is included in ATC's DASH Technology project in Capital Outlay.

**RECOMMENDATION:** I recommend that the ATC Board of Directors adopt the attached resolution for the application package for the FY18 VDRPT Demonstration Grant program.

Attachment: Resolution Authorizing the Application for State Aid to Public Transportation.

#### Resolution Authorizing the Application for State Aid to Public Transportation

BE IT RESOLVED by the Alexandria Transit Company Board of Directors that the Sandy Modell, General Manager is authorized, for and on behalf of the Alexandria Transit Company, hereafter referred to as the, **PUBLIC BODY**, to execute and file an application to the Department of Rail and Public Transportation, Commonwealth of Virginia, hereafter referred to as the, **DEPARTMENT**, for a grant of financial assistance in the amount of \$250,000 to defray the costs borne by the **PUBLIC BODY** for public transportation purposes and to accept from the **DEPARTMENT** grants in such amounts as may be awarded, and to authorize Sandy Modell, General Manager to furnish to the **DEPARTMENT** such documents and other information as may be required for processing the grant request.

ATC BOARD OF DIRECTORS

FROM:

SANDY MODELL, GENERAL MANAGER/CEC

SUBJECT:

**FY18 VDRPT INTERN GRANT** 

<u>ISSUE</u>: I am requesting Board authorization to submit a grant application for the FY18 VDRPT Intern Grant program to fund its Transit Intern Program.

**BACKGROUND:** The ATC Transit Intern Program provides an opportunity for students in college or recent graduates to gain exposure and experience in professional work in the public transit. The participant will gain experience in fixed route transit planning, marketing, communications, and community outreach. The ultimate goal of the program is to prepare an individual with the necessary experience and qualifications to begin a professional career in public transit. At the same time, ATC benefits from the additional staff resources and provides a well-rounded internship to young people interested in public transit.

The intern will learn about the DASH system and the operation of the system from community outreach, marketing and promotion, service planning, monitoring, assessment, evaluation, and implementation. The intern participates in several exciting projects, including the on-going website redesign project, promotion and campaign of Real Time Bus Information, community outreach, and service development. The intern will be involved at an exciting time, as we are promoting the newly released real-time bus information and other technology projects. The intern will be instrumental in assisting with the processes while gaining a strong understanding of transit service planning, operations, marketing, and outreach.

**FISCAL IMPACT:** The total proposed annual program cost is \$50,000. The VDRPT Intern Grant would provide a 95% reimbursement; the resulting local match would be \$2,500. The grant would provide for one full-time intern.

**RECOMMENDATION:** I recommend that the ATC Board of Directors adopt the attached resolution for the application package for the FY18 VDRPT Intern Grant program.

Attachment: Resolution Authorizing the Application for State Aid to Public Transportation.

**NEAR MISS / HAZARD REPORTING POLICY** 

I have attached a copy of ATC's Near Miss/Hazard Reporting Policy and corresponding form that will be rolled out at the next all employee meetings in February. The goal is to educate the workforce on the benefits that will be derived from the implementation of this program and in assisting employees in recognizing near miss events and hazards, increasing safety awareness company-wide, and ultimately, reducing accidents and incidents.

ATC Director of Safety and Training Rick Baldwin and I worked with representatives of the Virginia Transit Liability Pool (VTLP) and the Virginia Municipal League Group Insurance Association in reviewing ATC's draft policy and including their recommendations in the final policy document.

Attachments: ATC Near Miss/Hazard Reporting Policy

Near Miss/Hazard Report

## Alexandria Transit Company Near Miss/Hazard Reporting Policy

Alexandria Transit Company (ATC) is dedicated to fostering a safety lifestyle and culture that encompasses all departments of the workplace and even extends beyond. This document is designed to assist all DASH employees in recognizing and reporting near miss occurrences and other hazards that are commonly encountered in the course of performing tasks associated with the transit environment. A near miss is an unplanned event that did not result in an accident or injury but had the potential to do so. A hazard is an unsafe condition or event that could result in a near miss event, incident or accident. Investigating them may expose practices, conditions, and events that should be corrected. Employees in every department who experience, witness, or are made aware of near miss events should report them to the Director of the Department of Safety and Training or their designee.

The Near Miss/Hazard Reporting Program will not replace current policies, procedures, or programs, but will augment safety practices to help maintain a vibrant safety culture and lifestyle. The reporting of near miss events and hazards, no matter how small, assists all employees by determining the fundamental reasons that near miss events occur. Reporting also helps to determine what can be done differently to prevent future accidents and incidents, injuries and illness, and property and equipment damage.

If a near miss event occurs with no injury or damage, the Near Miss/Hazard Reporting Form should be completed by the employee who is involved or observed a near miss event or hazard. Incidents and accidents should be reported as usual and will be investigated using its current practices and policies. Unlike accidents and incidents, reporting near miss events and hazards is voluntary and anonymous, if desired. TMA will take no disciplinary or punitive action toward employees involved in or reporting a near miss event or hazard.

#### **NEAR MISS/HAZARD REPORT**

Near Miss is an unplanned event that did not result in an accident or injury, but had the potential to do so. A hazard is an event or condition that could result in a near miss, an incident, or an accident. The Near Miss/Hazard Reporting program is designed to collect and evaluate data on hazards and near miss events. The information may be used to make potential changes to policies and practices to improve safety in all departments of ATC. Near miss/hazard reporting is voluntary and will not subject employees to discipline.

| Date & Time of Hazard/Nea     Miss: Date:AM/PM  Time:AM/PM  |  | 2. Date of R     | leport:  |  |  |  |  |

#### Action Items Requested from ATC Board of Directors December 14, 2016

- 1. Provide T&ES update on shelter replacement schedule. (Kaplan)
- 2. Explore options for generating revenue by partnering with NVCC for contract services. (*Modell*)

#### **Prior Months**

- 1. Bring different options for the Board to consider on how to best present the most meaningful information on financial statements in February. (*Triggs*)
- 2. Bring Part II of the FY18 TDP to the Board in January to include more conservative assumptions and a model of revenue vs. operating costs. (*Triggs*)
