This document is an outline of the coverage provided under your employer’s benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the “plan documents”). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer’s benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.

Eligibility and Employee Resources

Flexible Solutions For Your Benefits Needs

We consider our employee benefits program to be one of our most important investments. Because we recognize the value our employees bring to our company, we are committed to providing you with a complete benefits program as part of your total compensation.

This guide has been prepared to assist you in making informed decisions regarding your employee benefits. We urge you to read this guide carefully and keep it as a reference. If you are well-informed, you will be better able to make the benefit choices that best meet your needs. **This benefit guide does not supersede the Collective Bargaining Agreement, effective July 1, 2019. Please refer to the CBA for eligibility rules.**

Employees

All full-time regular union employees working at least 30 hours per week are eligible for group insurance benefits.

New hires: Your benefits are effective the 1st of the month following your date of revenue (seniority date).

Eligible Dependents

Your eligible dependents include your legally married spouse, registered domestic partner, and children. Due to Affordable Care Act, your medical, dental, and vision plans cover dependents to age 26. However, for other plans, age limits may apply.

Coverage may be available for a mentally or physically disabled child who is age 26 or older. Requirements for such coverage and documentation of disability depend on the insurance carrier. Please contact Human Resources if you believe this issue applies to your family.

Gallagher Benefit Services

Gallagher Benefit Services provides a dedicated team of specialized representatives ready to assist DASH employees and dependents. Your Gallagher team is available to you Monday through Friday, 8 a.m. to 6 p.m. (EST).

Gallagher can support you as you utilize your employee benefits by providing education, resources and resolution to billing/claim issues. The licensed representatives will work with both providers and the insurance companies on your behalf while protecting the privacy of your healthcare information.

If you or your dependents have any questions, need assistance with selecting the right plan for you, or need assistance please call the Benefit Advocacy Center at [833.229.3752](tel:833.229.3752)

When You Can Enroll

New Hires / Newly Eligible for Benefits

When you become eligible for benefits, you have 30 days to enroll. If you do not enroll within that time period, you will not be eligible for benefits until the next Open Enrollment, unless you have a Qualifying Family Status Change.

Open Enrollment

During Open Enrollment, you will have the opportunity to make changes to your benefit elections. You must enroll by the Open Enrollment deadline for your benefits to be effective July 1st. Except for a Qualifying Status Change, you will not be able to change your elections until the next year's Open Enrollment.

Qualifying Status Change

If you have a qualifying family status change, you may be able to change your benefits before the next Open Enrollment. You must notify Human Resources at within 30 days of the change.

Qualifying Status Includes:

- Newly hired as full-time benefits-eligible
- Change in work schedule for you or your spouse (part-time to full-time)
- Change in employment for you, your spouse or dependent (i.e. your spouse loses their job and benefits)
- Change in marital status
- Change in dependents
- Change in benefits eligibility for you, your spouse or dependent
- Gaining other coverage through your spouse
- Loss of other coverage for your dependent
- Change in residence causing loss of coverage
- Federal and state family medical leave, if qualified
- Medicare or Medicaid entitlement for you, your spouse or dependent
- Qualified Medical Child Support Order (QMCSO)

Contact Human Resources for a complete explanation of qualifying family status changes.

How You Can Enroll

Benetrac

Transit Management of Alexandria utilizes Benetrac, an online portal that allows for easy access to enroll in your benefits. Through this system, you have access to your personal benefits information 24 hours a day, 7 days a week, at the click of a computer key.

For videos and information on how to enroll, visit:

http://training.paychex.com/benetrac-university/employee/benetrac/electing_benefits_open_enrollment.html

To log in and manage your benefits

- Click **I AGREE** when prompted.
- Click **PROCEED TO MY BENEFITS**.
- For each benefit listed by your employer, click **MANAGE BENEFIT**.

To enroll in a benefit

This year Open Enrollment is Passive. If you have no changes, no action is required on your end (except for FSA/DFSA)

- Select **Add or View Plan/Options** if you were not previously enrolled in the benefit, or select **Change or View Plan/Options** if you are currently enrolled.
- You may be prompted to select dependents, answer pre-enrollment questions, or identify as a smoker or non-smoker, depending on your employer's requirements.
- Select a **Plan(s)**.
Note: The employee cost displayed is based on the number of family members you selected in the previous step. If you want to compare costs, you can change the number of dependents on the plan by clicking **GO BACK** and unchecking the boxes next to the dependents' names.
- The reason is automatically set to **Open Enrollment**.
- Click **I AGREE**.

To terminate a benefit you are currently enrolled in

- Select **Decline Benefit**.
- Select an option from the **Reason** drop-down menu.
- The **Event Date** will automatically populate.
- Click **I AGREE**.
Note: The system will automatically decline any benefits you did not actively enroll in if you are not currently enrolled in that benefit.

To review and finalize your benefits elections after managing all of your available benefits

- Click **REVIEW & FINALIZE**.
- Review the elections listed.
- To change any of the benefits you selected, click **RETURN TO MY BENEFITS**.
- Make any necessary changes and click **REVIEW & FINALIZE** again.
- Review the elections listed.
- Click **AGREE TO ABOVE AND FINALIZE MY SELECTIONS**.

**REMEMBER TO REVIEW ALL OF YOUR ELECTIONS CAREFULLY!
YOUR DEDUCTIONS MAY HAVE CHANGED FROM THE PREVIOUS YEAR!**

Medical

Medical Plan Options

You have two medical carriers to choose from and you have a total of three plans from which to select your Medical coverage. Please note, the summaries included in this guide is not exhaustive and you should refer to your Certificates of Coverage for full details regarding your plans.

You decide which plan meets you and your family's needs:

Kaiser Permanente DHMO SIG 2 – slight plan changes starting 7/1/2023

UnitedHealthcare Choice HMO

UnitedHealthcare Choice POS

Kaiser Permanente DHMO SIG 2

If you choose the Kaiser Permanente option, you must visit Kaiser Permanente Centers for your medical needs. You must select a primary care physician who will manage your care and refer you to a specialist when it is needed. Most services are covered at 100% after you pay a copayment. For in-patient hospitalizations and emergency room needs, there are participating hospitals that you will be able to use that count as in-network benefits.

UnitedHealthcare Choice HMO

If you choose the Choice HMO option, you will have access to a national network. This plan is open access and allows you to see in-network physicians without referrals. You do not need to select a primary care physician.

UnitedHealthcare Choice Plus POS

The PPO option provides an additional choice of providers. The in-network/contracted providers agreed to discount their fees for their services. You may choose to have your treatment provided by a PPO contracted provider and receive a higher level of benefit with a lower out-of-pocket cost to you. You may also choose to go outside the network/non-contracted provider; however, benefits are reimbursed at a lower level and you may have higher out-of-pocket costs.

For those enrolling in either UnitedHealthcare plans, you will be automatically enrolled in CareFirst Prescription coverage. You will receive two cards for coverage in the UnitedHealthcare / CareFirst HMO / POS plan.

Virtual Visits

Administered by UnitedHealthcare

Easy, fast doctor visits.

All from the comfort of your own computer or mobile device.

With any of our UHC health plans, you can talk to a doctor today, tonight, anytime – 365 days a year. Just sign up at livehealthonline.com or on the free mobile app. Now you can get the healthcare you need without all the hassle.

Have a health question? Feeling under the weather? With UHC Virtual Visits, you don't have to deal with scheduling an appointment or long wait times at the urgent care center. In fact, you don't even have to leave your home or office. Using Virtual Visits, you can see a doctor who can answer questions, make a diagnosis, and even prescribe basic medications, when needed (as legally permitted in certain states).

With UHC Virtual Visits, you get:

- Immediate doctor visits through live video.
- Your choice of board-certified doctors.
- Private, secure and convenient online visits.
- \$10 Copay (less expensive than a PCP visit) applies

What are the qualifications of the doctors you see using Virtual Visits?

- Board-certified.
- Average 15 years practicing medicine.
- Mostly primary care physicians.
- Specially trained for online visits.

When can you use UHC Virtual Visits?

As always, you should call 911 with any emergency. Otherwise, you can use UHC Virtual Visits whenever you have a health concern and your own doctor isn't available. Doctors are available 24 hours a day, seven days a week, 365 days a year. Some of the most uses include:

- Cold and flu symptoms such as a cough, fever and headaches
- Allergies
- Sinus infections

Start a conversation now!

Just enroll for free at www.myuhc.com or on the Health4Me app, and you're ready to see a doctor.

UHC Provider Search

Use the below steps to find In Network physicians, urgent cares, and hospitals. The two Choice plans utilize the same in-network physicians. Save in premiums by opting for the HMO plan if your doctors are in-network

	CHOICE NETWORK
TO BEGIN	Visit www.uhc.com and click on Find a Doctor .
STEP 1	You can search the general directory by clicking on "Find a Physician, Hospital or Healthcare Facility," OR you can log in to your member account by clicking on "Log in to myuhc.com to Find a Physician"
STEP 2	Select which type of provider you are looking for: Medical Directory or Mental Health Directory
STEP 3	Click on "All UnitedHealthcare Plans"
STEP 4	Click on "Shopping Around"
STEP 5	Select CHOICE PLUS
STEP 6	Search by your location and the type of service you may need

Provider contracts are always changing with the carriers. Please call your provider to ensure that they are still in network before going to see them.

Please sign up on www.myuhc.com and login as a member for a more accurate provider search specific to your elected plan.

Prior Authorization

Prior Authorization from CareFirst is required before you fill prescriptions for certain drugs. Your doctor may need to provide some of your medical history or laboratory tests to determine if these medications are appropriate. Without prior authorization from CareFirst, your drugs may not be covered

Step Therapy

Step Therapy requires that you try lower-cost equally effective drugs that treat the same medical condition before trying a higher-cost alternative. Your doctor will need to provide information to CareFirst about your experience with these alternatives prior to dispensing a more expensive drug.

Save money

Save ½ a month’s copay on a 90-day fill on your prescriptions by having your physician write a 90-day script for your daily medications.

Dental and Vision

Dental and Vision Plans

TMA shares in the cost of your dental plan. TMA pays 100% of the vision plan. You do not need to elect any of the TMA medical plans to enroll in The Standard Dental or Vision plans.

The Standard Dental PPO Care

You may see any dentist, but you will have a higher benefit level and lower out-of-pocket costs if you visit a Standard (Ameritas Network) PPO network dentist. Savings are greater when you visit an In-Network provider because The Standard contracted dentists have agreed to provide care at a negotiated rate.

Out-of-Network benefit amounts are subject to the The Standard's contracted fee schedule. You will be responsible for the difference between the plan payment and the dentist's usual charge.

The Standard Vision PPO Care

A vision plan is one of the most requested benefit options. We are pleased to provide a comprehensive vision plan. The plan utilizes the EyeMed Access Network.

The Standard has one of the largest networks of private practicing optometrists, ophthalmologists, and opticians. In addition to the vision plan benefits provided through your benefits program, The Standard offers a number of non-covered services at a discount.

Life Insurance and AD&D

Basic Life Insurance

Administered by The Standard

[This benefit is paid for 100% by DASH. There is no cost to you, the employee.]

All benefit eligible employees with DASH are provided with employer paid Life and Accidental Death & Dismemberment (AD&D) coverage. All eligible employees are automatically enrolled in Life and AD&D plans – you do not need to actively enroll in this benefit.

Employee Basic Life Insurance

- 1 x Annual Earnings to \$150,000

Accidental Death & Dismemberment (AD&D)

- 100% of the Basic Life benefit
- Provides specified benefits for a covered accidental bodily injury that directly causes dismemberment.
- In the event of death that occurs from a covered accident, both Life and AD&D benefits would be payable each in the amount of the basic life insurance.

Benefits After Age 65

Your life benefits will reduce after age 65, and the reduction schedule is as follows:

- Reduce by 35% at age 65
- Reduce by 50% at age 70
- Reduce by 65% at age 75
- Benefits will terminate at retirement

Refer to the Standard plan documents for a complete description of this plan.

Reminder: Please update your Life Insurance beneficiary information in the Benetrac online enrollment site during Open Enrollment. You may make changes to this election throughout the year.

Employee Resource Programs

Administered by The Standard

These added value services are available to anyone enrolled in the employer paid or voluntary life and disability policies. Some services may require out of pocket expense.

The Life Services Toolkit

The time after a loved one has died is difficult for a beneficiary. Tasks like planning a funeral and settling estate matters demand your immediate attention. At the same time, daily obligations continue as you grieve your loss. Standard Insurance Company (The Standard) is here to help. We have partnered with Morneau Shepell to offer comprehensive and compassionate services to Group Life insurance beneficiaries.¹ These services are available to you for 12 months after the date of death.

Supplemental Life Insurance

Administered by The Standard

[This benefit is paid for 100% by the employee.]

Because you may need additional coverage, TMA offers you an opportunity to purchase extra life insurance at competitive group rates. The Supplemental Life and Accidental Death & Dismemberment (AD&D) insurance is available for employees, their spouses, and/or child(ren).

This benefit is voluntary and paid for 100% by eligible employees through after-tax payroll deductions. You do not need to enroll in medical, dental, or vision plans to be eligible to enroll in this plan.

Supplemental Employee Life / AD&D

Employees may purchase additional coverage in \$10,000 increments, not to exceed 5 times annual salary or \$300,000, whichever is less

- Guaranteed Issue amount is up to \$100,000 for newly eligible employees

Supplemental Spouse Life / AD&D

You may purchase additional coverage for your spouse in \$5,000 increments, not to exceed 100% of employee coverage or \$150,000, whichever is less

- Guaranteed Issue amount of \$25,000 for newly eligible employees
- Benefits reduce at employee age 65 by 35%, additional 15% at employee age 70, and an additional 15% at employee age 75
- Spouse coverage may only be elected if the employee is enrolled

Supplemental Child(ren) Life / AD&D

You may purchase additional coverage for your child(ren) in the following amounts:

- Birth to 26 years = \$10,000
- Child coverage may only be elected if the employee is enrolled

Refer to the Standard plan documents for a complete description of this plan.

Should you choose to elect amounts over the guaranteed issue amount OR you are a late entrant, you or your spouse/domestic partner will need to complete the Evidence of Insurability Form for medical underwriting purposes.

Short-Term Disability

Administered by The Standard

[This benefit is paid for 100% by TMA. There is no cost to you, the employee.]

As a valued employee, you are offered Short-Term Disability. You do not need to enroll in this benefit. Your disability plan is available to help supplement your income (in addition to State Disability Insurance) when you are not able to continue employment for a certain period of time.

Short-Term Disability

You will need to satisfy a 14-day elimination period before short term disability benefits would begin. This elimination period can be satisfied with days of partial disability, total disability or a combination of both. If you are totally disabled beyond the elimination period due to a covered injury or sickness, you will be eligible to receive a weekly benefit equal to 60% of your earnings to a maximum of \$1,000.20

The Maximum benefit duration is 13 weeks including the elimination period.

Voluntary Long-Term Disability

Administered by The Standard

[This benefit is 100% paid for by you, the employee.]

If you are outside of your original eligibility period, you must complete an Evidence of Insurability to be enrolled in the plan.

Employees can elect Voluntary Long Term coverage for those unexpected situations that may keep you from performing the daily responsibilities of your job. Your disability plan is available to help supplement your income when you are not able to continue employment for a certain period of time.

Long-Term Disability

You will need to satisfy a 90-day elimination period before long term disability benefits would begin. This elimination period can be satisfied with days of partial disability, total disability or a combination of both. If you are totally disabled beyond the elimination period due to a covered injury or sickness, you will be eligible to receive a monthly benefit equal to 60% of your basic monthly income, up to \$5,000 per month.

Voluntary Group Accident

Administered by The Standard

With the high cost of medical care today, a trip down the stairs can hurt your bank account as much as your body. Accident insurance can pay you money based on the injury and the treatment you receive, whether it's a simple sprain or something more serious, like an injury from a car accident. Your plan can pay you a benefit for an emergency room treatment, stitches, crutches, injury-related surgery and a list of other accident-related expenses. The money is paid directly to you and you decide how to spend it. This benefit is voluntary, paid for 100% by employees through after-tax payroll deductions

Health Screening Benefit: After your coverage has been in effect for thirty days, The Standard will provide an annual benefit of \$50 per calendar year for taking one of the eligible screening/prevention measures. The Standard will pay only one health screening benefit per covered person per calendar year.

¹Covered services/treatments must be the result of a covered accident as defined in the group policy/certificate. See the Outline of Coverage for more details.

²Hospital does not include certain facilities such as nursing homes, convalescent care or extended care facilities. See your Disclosure Statement or Outline of Coverage/ Disclosure Document for full details.

These plans offer additional benefits such as Accidental Death, Dismemberment, Loss, Paralysis, Lodging, etc. Please refer to the The Standard Documents for a complete description of the plan benefits.

Voluntary Critical Illness

Administered by The Standard

What's a critical illness? Some common examples are heart attack, stroke and cancer. But this coverage also includes serious conditions like permanent paralysis – the kind of injury that can happen to a healthy person in a car or skiing accident, for example. The medical treatment for these conditions can be very expensive. Critical illness insurance can help by paying a lump sum payment directly to you at the first diagnosis of a covered condition. You decide how to spend it. You can use this coverage more than once for different conditions, but each condition is payable once per lifetime.

This benefit is voluntary, paid for 100% by employees through after-tax payroll deductions.

- Lump sum payment to use as you see fit upon diagnosis verification
- You have a choice of a \$10,000 or \$20,000 Benefit Amount¹
- Recurrence benefit – 25% of coverage, 12-month treatment-free period¹
- Guaranteed issue coverage
- No waiting periods or age restrictions
- No limitations between filing claims for covered conditions
- No pre-existing condition
- Portable (continuation of coverage)

[This benefit is 100% paid for by you, the employee. Below shows the MONTHLY amounts.]

Voluntary Hospital Indemnity

Administered by The Standard

What is Group Hospital Indemnity Insurance

Hospital Indemnity insurance from The Standard helps pay for hospitalization expenses that medical insurance and savings don't cover. Adding this coverage can help employees be ready for the costs of a hospital stay. This coverage doesn't necessarily apply only to your medical bills, but you can also use it to pay for your rent and other bills that might accumulate.

Details

- Rates are age composite and unisex
- Portability lets employees keep their policies even if you leave your job with no change in coverage
- **Health Maintenance Screenings** pay a yearly benefit of \$50 when you receive one of 20 covered health screening tests, including lipid panel, mammography, or colonoscopy
- Coverage options: Employee Only; Employee + Spouse; Employee + Child(ren); Family
- 12/12 pre-existing limitation
- Terminates at age 80 for employees and spouse; age 26 for children

Benefits

- Daily Hospital Confinement – \$250/day
- Hospital Admission – \$1,000
- Daily CCU Confinement (15 days) – \$50/day
- Health Maintenance Screening – \$50

Flexible Spending Accounts

What is FSA?

Flexible Spending Accounts (FSA) provide you with an important tax advantage that can help you pay for healthcare and dependent care expenses on a pretax basis. As an eligible employee, you agree to set aside a portion of your pre-tax salary in an account, and that money is deducted from your paycheck over the course of the year. The amount you contribute to the FSA is not subject to social security (FICA), federal, state or local income taxes—effectively adjusting your annual taxable salary.

Type 1: Healthcare Reimbursement FSA

The Healthcare Reimbursement FSA allows you to pay for certain IRS-approved healthcare expenses not covered by your insurance or reimbursed by any other benefit plan. Eligible expenses include those incurred by you, as well as your spouse and dependents. Typical expenses include copays, coinsurance, deductibles, and prescription drug expenses. For more information about eligible expenses, please refer to IRS Publication 502 available at www.irs.gov/publications/p502/index.html

The annual maximum contribution to the Healthcare Reimbursement FSA is \$3,050. You are able to rollover up to \$660 into the following plan year.

Type 2: Dependent Care Reimbursement FSA

The Dependent Care Reimbursement FSA allows you to use pre-tax dollars toward qualified dependent care. Care must be for a tax-dependent child under age 13 who lives with you, or a tax-dependent spouse or child who lives with you and is incapable of caring for themselves. Also, the care must be needed so that you and your spouse (if applicable) can go to work. Care must be given during normal working hours and cannot be provided by another of your dependents. Typical expenses include baby-sitters, nursery schools, pre-schools, and day care centers.

The annual maximum contribution to the Dependent Care Reimbursement FSA is \$5,000, for the 2023 tax year. You are able to incur claims for 90 days after the end of the plan year.

“Use-It-or-Lose-It” Rule

The Healthcare and Dependent Care Reimbursement FSAs run on a plan year. The current plan year is from July 1, 2023 through June 30, 2024; claims can only be for services / expenses incurred during this time period for the Healthcare FSA. For the Dependent Care FSA, you will have an additional 90 days to INCUR claims after the plan year ends.

Healthcare FSA claims MUST be submitted no later than September 28, 2024 (90 days from end of plan year) for reimbursement. Any unused funds in excess of \$610 will be forfeited. DASH has elected to offer a \$610 rollover option, which will allow you to roll over up to \$610 of unused contributions into the next plan year. Be conservative when making elections. Please refer to your plan documents for additional information.

Have leftover funds at the end of the year?

Visit www.fsastore.com to purchase FSA-eligible items before the end of the plan year. You may also review the updated FSA Eligibility list.

FSA Worksheet

When determining how much you would like to contribute to your Flexible Spending Account, you should keep in mind the following:

- In most cases, an employee may not make a mid-year change in the amount he or she has elected to contribute to a Flexible Spending Account.
- Money remaining in a Flexible Spending Account at the end of the plan year must be forfeited.
- Over-the-counter medicines and drugs are now reimbursable expenses!
- This worksheet can be used to estimate how much you should elect to contribute to your Flexible Spending Accounts.

Glossary of Health Terms

This glossary has many commonly used terms, but isn't a full list. These glossary terms and definitions are intended to be educational and may be different from the terms and definitions in your plan. Some of these terms also might not have exactly the same meaning when used in your policy or plan, and in any such case, the policy or plan governs. (See your Summary of Benefits and Coverage for information on how to get a copy of your policy or plan document.)

Coinsurance Your share of the costs of a covered healthcare service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay coinsurance plus any deductibles you owe. For example, if the health insurance or plan's allowed amount for an office visit is \$100 and you've met your Ded., your coinsurance payment of 20% would be \$20. The health insurance or plan pays the rest of the allowed amount.

Copayment A fixed amount (for example, \$15) you pay for a covered healthcare service, usually when you receive the service. The amount can vary by the type of covered healthcare service.

Deductible The amount you owe for healthcare services your health insurance or plan covers before your health insurance or plan begins to pay. For example, if your deductible is \$1000, your plan won't pay anything until you've met your \$1000 deductible for covered healthcare services subject to the deductible. The deductible may not apply to all services.

Durable Medical Equipment (DME) Equipment and supplies ordered by a healthcare provider for everyday or extended use. Coverage for DME may include: oxygen equipment, wheelchairs, crutches or blood testing strips for diabetics.

Emergency Medical Condition An illness, injury, symptom or condition so serious that a reasonable person would seek care right away to avoid severe harm.

Emergency Medical Transportation Ambulance services for an emergency medical condition.

Emergency Room Care Emergency services you get in an emergency room.

Health Insurance A contract that requires your health insurer to pay some or all of your healthcare costs in exchange for a premium.

Home Healthcare Healthcare services a person receives at home.

Hospice Services Services to provide comfort and support for persons in the last stages of a terminal illness and their families.

Hospitalization Care in a hospital that requires admission as an inpatient and usually requires an overnight stay.

Hospital Outpatient Care in a hospital that usually doesn't require an overnight stay.

In-network Coinsurance The percent (for example, 20%) you pay of the allowed amount for covered healthcare services to providers who contract with your health insurance or plan. In-network coinsurance usually costs you less than out-of-network coinsurance.

In-network Copayment A fixed amount (for example, \$15) you pay for covered healthcare services to providers who contract with your health insurance or plan. In-network copayments usually are less than out-of-network copayments.

Medically Necessary Healthcare services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.

Network The facilities, providers and suppliers your health insurer or plan has contracted with to provide healthcare services.

Non-Preferred Provider A provider who doesn't have a contract with your health insurer or plan to provide services to you. You'll pay more to see a non-preferred provider. Check your policy to see if you can go to all providers who have contracted with your health insurance or plan, or if your health insurance or plan has a "tiered" network and you must pay extra to see some providers.

Out-of-Network Coinsurance The percent (for example, 40%) you pay of the allowed amount for covered healthcare services to providers who do not contract with your health insurance or plan. Out-of-network coinsurance usually costs you more than in-network coinsurance.

Out-of-Network Copayment A fixed amount (for example, \$30) you pay for covered healthcare services from providers who do not contract with your health insurance or plan. Out-of-network copayments usually are more than in-network copayments.

Out-of-Pocket Limit The most you pay during a policy period (usually a year) before your health insurance or plan begins to pay 100% of the allowed amount. This limit never includes your premium, balance-billed charges or healthcare your health insurance or plan doesn't cover. Some health insurance or plans don't count all of your copayments, deductibles, coinsurance payments, out-of-network payments or other expenses toward this limit.

Physician Services Healthcare services a licensed medical physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine) provides or coordinates.

Preauthorization A decision by your health insurer or plan that a healthcare service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification. Your health insurance or plan may require preauthorization for certain services before you receive them, except in an emergency. Preauthorization isn't a promise your health insurance or plan will cover the cost.

Preferred Provider A provider who has a contract with your health insurer or plan to provide services to you at a discount. Check your policy to see if you can see all preferred providers or if your health insurance or plan has a "tiered" network and you must pay extra to see some providers. Your health insurance or plan may have preferred providers who are also "participating" providers. Participating providers also contract with your health insurer or plan, but the discount may not be as great, and you may have to pay more.

Premium The amount that must be paid for your health insurance or plan. You and/or your employer usually pay it monthly, quarterly or yearly.

Prescription Drug Coverage Health insurance or plan that helps pay for prescription drugs and medications.

Prescription Drugs Drugs and medications that by law require a prescription.

Primary Care Physician A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine) who directly provides or coordinates a range of healthcare services for a patient.

Provider A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine), healthcare professional or healthcare facility licensed, certified or accredited as required by state law.

Reconstructive Surgery Surgery and follow-up treatment needed to correct or improve a part of the body because of birth defects, accidents, injuries or medical conditions.

Rehabilitation Services Healthcare services that help a person keep, get back or improve skills and functioning for daily living that have been lost or impaired because a person was sick, hurt or disabled. These services may include physical and occupational therapy, speech-language pathology and psychiatric rehabilitation services in a variety of inpatient and/or outpatient settings.

Skilled Nursing Care Services from licensed nurses in your own home or in a nursing home. Skilled care services are from technicians and therapists in your own home or in a nursing home.

Specialist A physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions. A non-physician specialist is a provider who has more training in a specific area of healthcare.

UCR (Usual, Customary and Reasonable) The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.

Urgent Care Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.

Important Employee Notifications

Women’s Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (“WHCRA”). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

If you would like more information on WHCRA benefits, please call your Plan Administrator.

Newborns’ and Mothers’ Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **877.KIDS.NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **866.444.EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your state for more information on eligibility.

HIPAA Notice of Privacy Practices Reminder

Protecting Your Health Information Privacy Rights

Transit Management of Alexandria is committed to the privacy of your health information. The administrators of the (the “Plan”) use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan’s policies protecting your privacy rights and your rights under the law are described in the Plan’s Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting your Benefits Administrator.

Primary Protection

UnitedHealthcare and Kaiser Permanente HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in UHC or Kaiser networks who is available to accept you or your family members. Until you make this designation, UHC or Kaiser designate(s) one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact UHC or Kaiser.

HIPAA Special Enrollment Rights

Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the plan (to actually participate, you must complete an enrollment form and may be required to pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan – your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact your Benefits Administrator.

Notice of Creditable Coverage

Important Notice from Transit Management of Alexandria About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Transit Management of Alexandria and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Transit Management of Alexandria has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Transit Management of Alexandria coverage will be affected.

If you do decide to join a Medicare drug plan and drop your current Transit Management of Alexandria coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Transit Management of Alexandria and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage:

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Transit Management of Alexandria changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800.MEDICARE (800.633.4227). TTY users should call 877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 800.772.1213 (TTY 800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

COBRA General Notice

Model General Notice of COBRA Continuation Coverage Rights (For use by single-employer group health plans)

** Continuation Coverage Rights Under COBRA **

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to your employer.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

¹ <https://www.medicare.gov/sign-up-change-plans/how-do-i-get-parts-a-b/part-a-part-b-sign-up-periods>

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Marketplace Notice

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution — as well as your employee contribution to employer-offered coverage — is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Shauna-Lee Williams.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 - All employees. Eligible employees are:

 - Some employees. Eligible employees are:

- With respect to dependents:
 - We do offer coverage. Eligible dependents are:

 - We do not offer coverage.

 - If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.
